

Interoperable Scenarios will allow all disciplines to work under a unified command structure to manage and mitigate an incident. Scenarios will include real applications of the FHWA TIMS program.

## **FREE TRAINING**

*(Provided by FEMA & Vinita FD)*

For:

**Fire/EMS/LE/Tow & all roadway workers**

**Friday April 13, 6-10PM**

**Saturday April 14, 8AM-Midnight**

**Sunday April 15, 9AM-1PM**

# Roadway Incident

# Tactical Operation Training

This multidisciplinary training promotes coordinated on-scene efforts through understanding each agency's roles.

Participants will be encouraged to attend the night operation scenarios guided by NFPA standards.

**Location: VINITA FAIRGROUNDS**
